Consequent on the revision in the Trade Margin there will be certain difference in the issue price and special margin of the stocks in the inventories of the various IMFL depots of the Andhra Pradesh Beverages Corporation Limited as on 30-11-2012 (closing balance) and the stocks in transit (dispatched on or before 30-11-2012 and reaching the depots on or after 01-12-2012) on the one hand and the stocks that will be dispatched by the manufacturers after the revision on the other. In order to avoid dual pricing of IMFL (other than Beer, Wine and Ready to drink varieties) during the transition from the pre-revised rates to the revised rates, it is ordered that the difference between the revised and pre-revised issue price and special margin be levied and collected from the licensees, to whom such stock is issued, as a one-time additional special margin and remitted directly to Government under relevant head of account. The Andhra Pradesh VAT embedded in the additional special margin so collected should be remitted to the appropriate Government head of account..”
